# Who we are

Enlightening the  
cities **since 1989**

Inara Lighting Company recently became a member of Signify Saudi Arabia.

Inara lighting Company was established in 1989 with the philosophy of serving the Saudi Market with innovative lighting fittings sourced from world leaders in the lighting industry. Today Inara has a wide area sales network with seven showrooms in four major Saudi Cities.

# About us

## Brilliant lighting applications

**Our Vision:**  
to become a pioneer & leader in lighting.

**Our Mission:**  
To provide the Saudi market with sustainable energy efficient lighting solutions.

**Our Objective:**  
To increase our market share by delivering world class lighting solutions addressing the needs of the market.

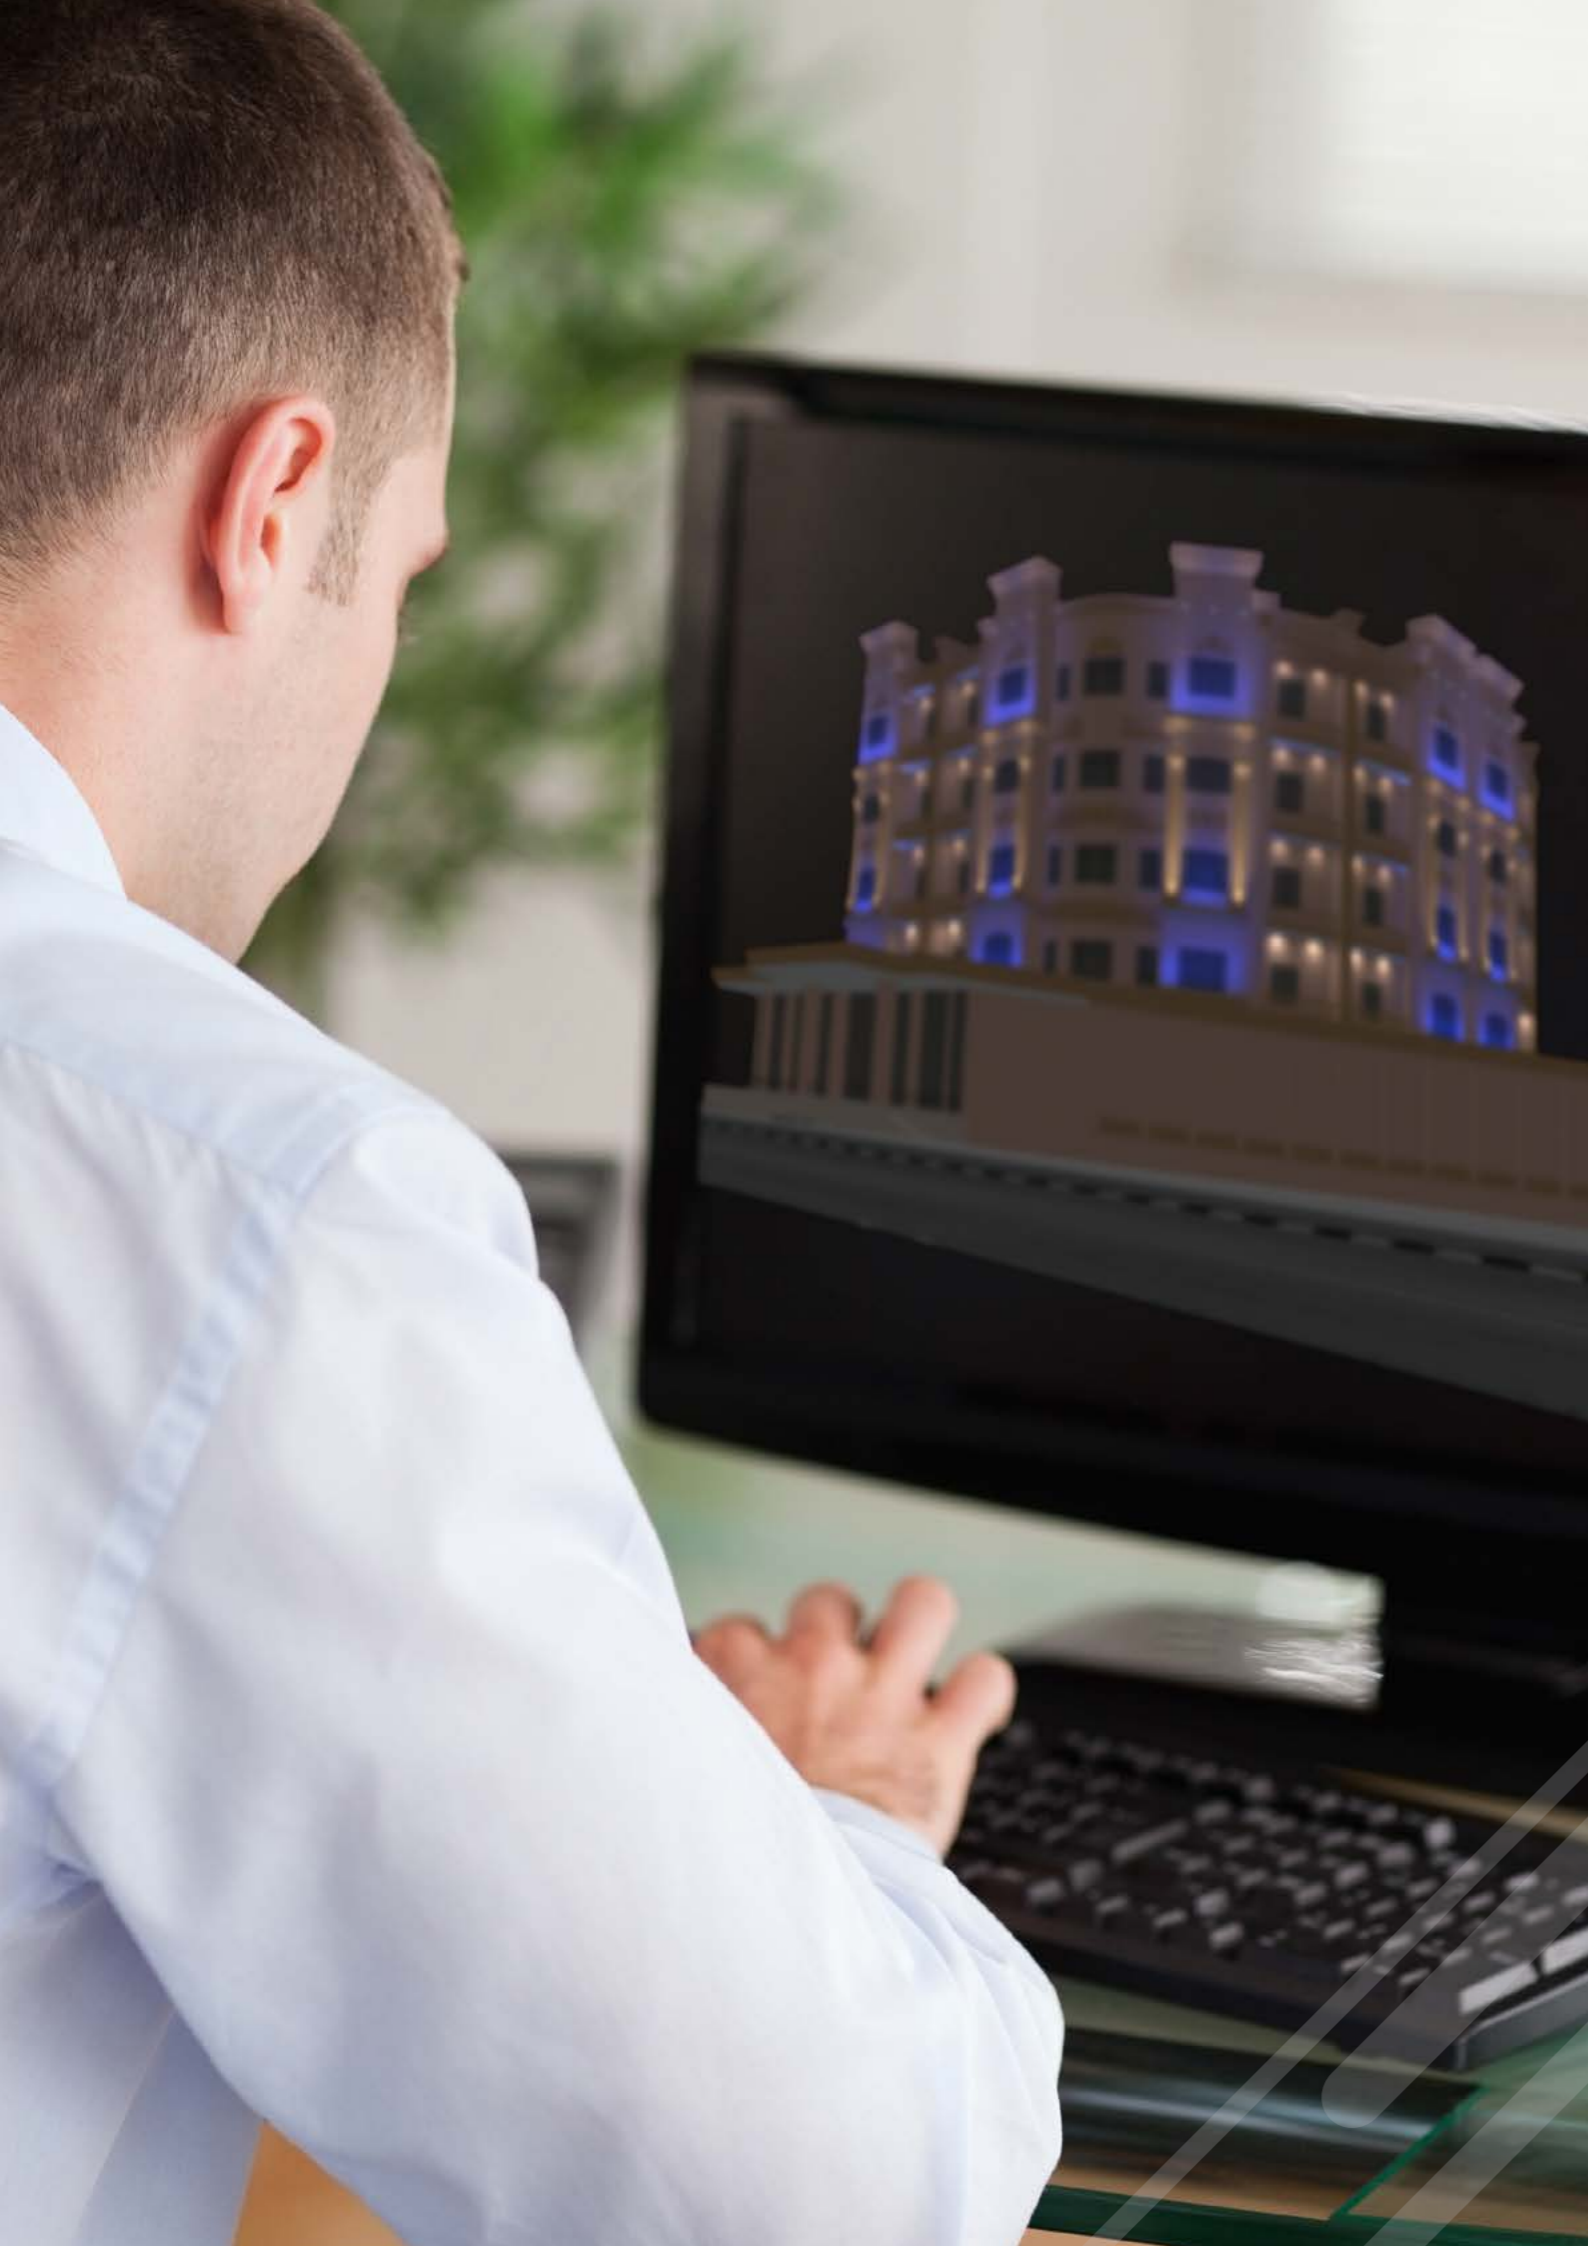

# Manager's statement

Your lighting  
partner

“We are on an exciting mission to bring the latest technologies and innovations to the market, providing sustainable lighting solutions with the full support from our principals. Our customers’ satisfaction is always our priority.”

**Abdul Rahman Mustapha,**  
DGM, Project Sales Manager

# Our services

## Innovative 3D modeling simulations

Inara acts as a Total Lighting Solutions provider. Inara has a dedicated lighting applications design team, skilled in DiaLUX and 3D max **lighting simulation**.

Inara also has a dedicated team of skilled staff working on Lighting Control Systems (KNX), Lutron Dynalite.

Inara is ready to assist in designing any lighting application, supporting sustainable and green LED lighting Solutions. Inara can meet the latest requirements from architects, interior designers, consultants as well as end users, complying with the latest lighting standards.

# Stability & **ability**

Highly **qualified**  
and **trained**  
team

**Company stability and ability to execute and deliver mega projects.**
